

Use EXTRACT(MONTH FROM order_date) for month

The screenshot shows a SQL query editor with the following query:

```
1 select extract(month from order_date) as totalMonth
2 from orders;
```

Below the query editor, the 'Result Grid' is visible, showing a single column named 'totalMonth' with five rows of data: 1, 1, 2, 2, 3. The interface includes a toolbar at the top with icons for saving, running, and other database operations, and a 'Filter Rows' section below the query editor.

What were the total revenue and order volume for each month and year from 01.01.2023 - 31.12.2023

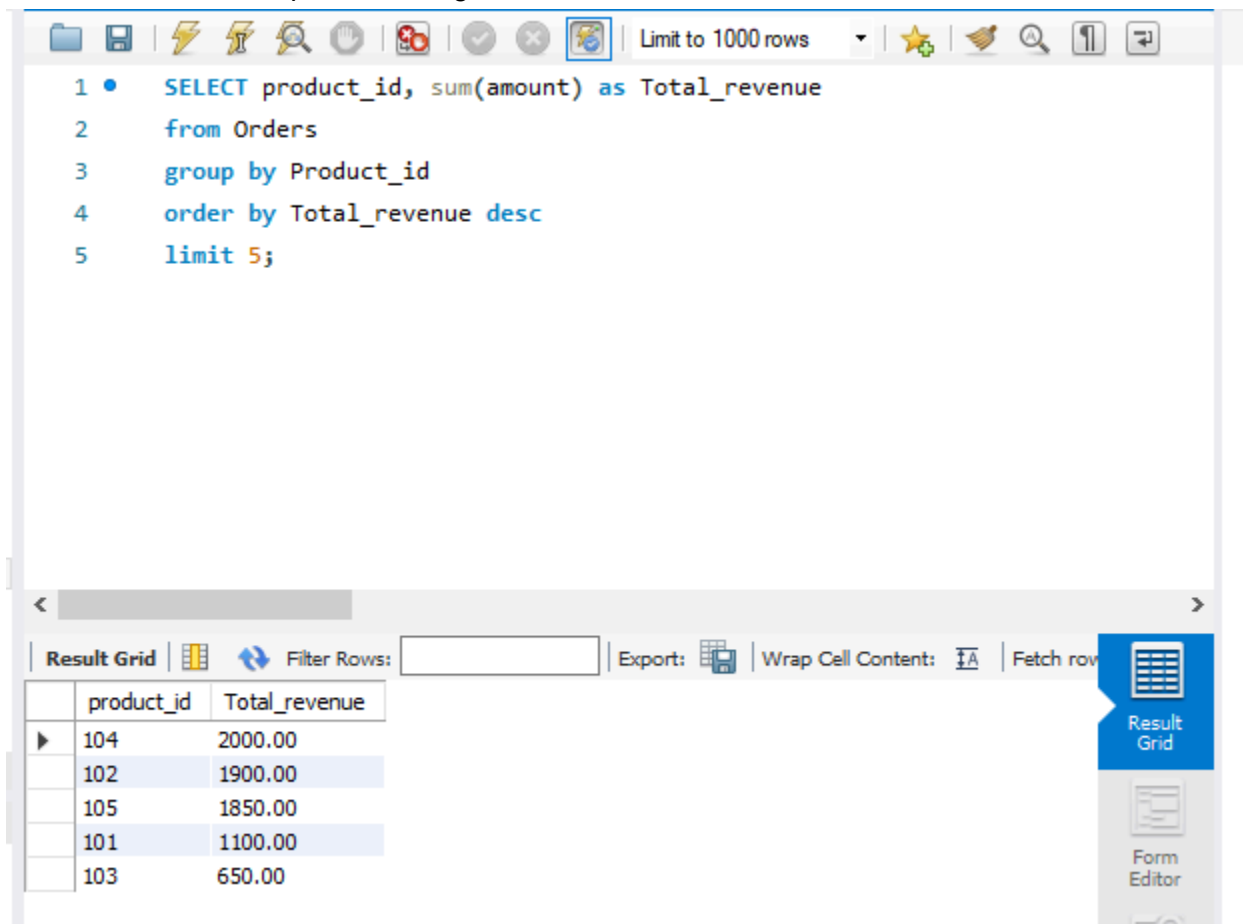

The screenshot shows a SQL query editor with the following query:

```
1 SELECT
2     EXTRACT(YEAR FROM order_date) AS order_year,
3     EXTRACT(MONTH FROM order_date) AS order_month,
4     SUM(amount) AS total_revenue,
5     COUNT(DISTINCT order_id) AS order_volume
6 FROM
7     Orders
8 WHERE
9     order_date BETWEEN '2023-01-01' AND '2023-12-31' -- limit to 2023
10 GROUP BY
11     EXTRACT(YEAR FROM order_date),
12     EXTRACT(MONTH FROM order_date)
```

Below the query editor, the 'Result Grid' is visible, showing a table with four columns: order_year, order_month, total_revenue, and order_volume. The table contains five rows of data for the year 2023, corresponding to months 1 through 5.

order_year	order_month	total_revenue	order_volume
2023	1	750.00	2
2023	2	450.00	2
2023	3	1350.00	3
2023	4	950.00	2
2023	5	2150.00	3

Which Products are top 5 revenue generator

The screenshot shows a database query tool interface. The top toolbar includes icons for file operations, execution, and navigation, along with a dropdown menu set to "Limit to 1000 rows". The SQL editor contains the following query:

```
1 • SELECT product_id, sum(amount) as Total_revenue
2   from Orders
3  group by Product_id
4  order by Total_revenue desc
5  limit 5;
```

Below the editor, the "Result Grid" tab is active, displaying a table with the following data:

	product_id	Total_revenue
▶	104	2000.00
	102	1900.00
	105	1850.00
	101	1100.00
	103	650.00

On the right side, there is a vertical toolbar with buttons for "Result Grid" (highlighted in blue) and "Form Editor".

What is the total revenue and total order volume for February 2024.

Query 1 x Dump20250810

Limit to 1000 rows

```
1 SELECT
2     SUM(amount) AS total_revenue,
3     COUNT(DISTINCT order_id) AS order_volume
4 from online_sales.orders
5 where
6     EXTRACT(YEAR FROM order_date) = 2024
7     AND EXTRACT(MONTH FROM order_date) = 2;
```

Result Grid

	total_revenue	order_volume
▶	650.00	1
